All students who comply with the conditions prescribed by the Institute and successfully fulfill the requirements of the degree programmes are awarded degrees by NED University of Engineering & Technology, Karachi.

**Engineering Programmes**

- Computer Systems
- Telecommunication
- Electronics
- Power

**Eligibility:** HSSC or equivalent examination (Pre-Engineering, Physics, Chemistry and Mathematics) with a minimum of 60% marks.

Engineering programmes are accredited by Pakistan Engineering Council, for further information please visit www.pec.org.pk or http://www.pec.org.pk/schedule_first.aspx

**Computer Science Programmes**

- Computer Science
- Software Engineering

**Eligibility:** HSSC or equivalent examination (Pre-Engineering, Physics, Chemistry and Mathematics) OR HSSC (Science General, Physics, Computer Science and Mathematics) with a minimum of 60% marks

Computer Science programmes are accredited by National Computing Education Accreditation Council (NCEAC). For further information please visit www.nceac.org

**SCHEDULE OF EVENTS**

### Tuition and Other Fees

#### Programs Fall-2016

#### Pakistani Students

**Bachelor of Engineering (BE)**

One Time Cost (for new students)

- Admission Fee ................................................................. Rs. 15,000
- Enrolment Fee ................................................................. Rs. 5,500
- Security Deposit (Refundable) ........................................ Rs. 5,000

Per Semester (for new and continuing students)

- Tuition Fee ................................................................. Rs. 62,000
- Semester Charges .......................................................... Rs. 6,000
- Co-curricular Activities .................................................. Rs. 2,000
- Examination Fee ........................................................... Rs. 3,000

Total (for continuing students) ........................................ Rs. 73,000

Total (for new students) ..................................................... Rs. 98,500

**Fee Per Course**

- Course Registration ........................................................ Rs. 14,000
- Examination Fee ............................................................. Rs. 3,000

#### Bachelor of Science (BS)

One Time Cost (for new students)

- Admission Fee ............................................................... Rs. 10,000
- Enrolment Fee ............................................................... Rs. 5,500
- Security Deposit (Refundable) ......................................... Rs. 5,000

Per Semester (for new and continuing students)

- Tuition Fee ................................................................. Rs. 53,000
- Semester Charges .......................................................... Rs. 6,000
- Co-curricular Activities .................................................. Rs. 2,000
- Examination Fee ........................................................... Rs. 3,000

Total (for continuing students) ........................................ Rs. 64,000

Total (for new students) ..................................................... Rs. 84,500

**Fee Per Course**

- Course Registration ........................................................ Rs. 14,000
- Examination Fee ............................................................. Rs. 3,000

#### International Students (BE & BS)

One Time Cost (for new students)

- Admission Fee ............................................................... US $ 500
- Enrolment Fee ............................................................... US $ 100
- Security Deposit (Refundable) ......................................... US $ 150

Per Semester (for new and continuing students)

- Tuition Fee (Single / Dual Nationality) ................................ US $ 4,000 / 3500
- Semester Charges .......................................................... US $ 100
- Co-curricular Activities .................................................. US $ 100
- Examination Fee ........................................................... US $ 150

Total (for continuing students – Single / Dual Nationality) ...... US $ 4,350 / 3,850

Total (for new students – Single / Dual Nationality) ............... US $ 5,100 / 4,600
