

Engr. Mehr-Un- Nisa

LAB ENGINEER

Contact Information:

Email: mnisa@uit.edu

Ext.: 3020

Qualification

- ME specialization in Industrial Control and Automation from Usman Institute of Technology in progress
- BE in Electrical (Electronics) from Usman Institute of Technology in 2013

Area of Specialization

Control Systems

Work Experience

- Lab Engineer at Usman Institute of Technology from August 2014 till Present
- Asst. Project Manager at FK Engineering from July 2013 till June 2014

Membership & Affiliation

Registered Engineer in Pakistan Engineering Council (PEC)

Research Interests

Control Systems

Labs Instruct

- Industrial Electronics
- Digital Logic Design
- Applied Physics
- VLSI Design
- Linear Circuit Analysis
- Electronic Devices And Circuits

Publications & Conferences

None
