

## Engr. M Hammad Munami

### *Assistant Professor*

ME (Industrial Control & Automation) from UIT

BS (Electronic Engineering) from SSUET

#### **Contact Information:**

Email: [mhammad@uit.edu](mailto:mhammad@uit.edu)

Ext.: 3100

### Brief Profile

- Currently Assistant Professor in Electrical Engineering Department at UIT
- Four years of teaching experience (Three years of teaching experience at UIT)
- ME (Industrial Control & Automation) from UIT in 2013
- BS (Electronic Engineering) from SSUET in 2010

#### **Research Interest:**

- Investigations to improve jerk resisting systems for traction motors through simulations.
- Analysis of BJT and MOSFET Choppers.
- Force Balanced Accelerometer and Gyro mechanism.
- Investigation of choke pipelines through LASER.
