

Nisar Ali

Lecturer

Contact Information:

Email: nali@uit.edu

Ext.: 3118

Qualification

- Degrees. MSc., MPhil, PhD (in progress)
- University. University of Karachi, Federal Urdu University Karachi.
- Year of Completion. 2012, 2015, 2016-present

Area of Specialization

- Applied Mathematics
- Linear Algebra
- Complex Variables and Transforms

Work Experience

- Designation: Lecturer
- Organization: Jouhar College of I.T & Management Sciences Karachi, (FAST-National University of Computer & Emerging Sciences Karachi).
- Period: 2012, (2015, 2016)

Membership & Affiliation

- None

Research Interests

- Stochastic Models for Urban Morphogenesis and Temporal Population Dynamics
- Fractal Geometry

Courses Taught

- Linear Algebra
- Mathematical Methods
- Complex Variables and Transforms

Publications & Conferences

- International Conference of Sindh History and Culture 2015.
- 2nd Mathematical Sciences Conference and University of Karachi, Department of Mathematics, 2014
- Two papers are accepted in International Journals and One 'abstr Act' for International conference.
