

Syed Muhammad Naveed Ul Haq

Designation

Assistant Professor

Contact Information:

Email: smnhaq@uit.edu

Ext.: 3018

Qualification

- Degrees. Master Wireless Systems
- University. Royal Institute Of Technology (Sweden)
- Year of Completion. Jan 2011
- Degrees. Bachelor in Electronics (4th Position)
- University. Sir Syed University Of Engineering and Technology
- Year of Completion. March 2007

Area of Specialization

- Signal Propagation
- Tetra Networks
- Telecommunication
- Network Performance

Work Experience

- Designation: Lecturer
- Organization UIT
- Period: April 2014 till date

- Designation: IT System Analyst
- Organization Gulf Computer
- Period: Sept 2012 Jan 2015

- Designation: IT Support Engineer
- Organization Barclays Bank
- Period: Sept 2011 July 2012

- Designation: Researcher
- Organization MIC Nordic Sweden AB
- Period: Dec 2009 Jan 2011

- Designation: LAB Lecturer
- Organization National University Fast
- Period: Sept 2007 Sept 2008

- Designation: Executive Engineer
- Organization Accrescent Engineer
- Period: Jan 2007 May 2007

Membership & Affiliation

- Pakistan Student Chapter President for 2009 Stockholm Sweden
- Wireless@KTH Sweden

Research Interests

- 5G Signal Propagation
- Millimeter wave
- Indoor Signal Modelling

Courses Taught

- Introduction To Computing
- Digital Communication (Lab)
- Signal & System (Lab)
-

Publications & Conferences

- Outdoor to Indoor Signal Radio wave Propagation of Wireless In-building Solutions (KTH Deva Portal)
